

Ukraine Prayer

All-loving God, Father of all mercies and God of all comfort,
we pray for the people of Ukraine and hold them up to you,
asking for your deliverance, relief and protection for the innocent.

May the love of Christ be present with all who are working to relieve suffering and bring help to refugees.

We pray for the people of Russia, comfort those who feel desolate and powerless,
stir up to action those who have power to change the course of events.

Help us to remain aware of those suffering and in need, throughout our world in many places.

We pray that our hope in your mercy may be our anchor through all this time of trouble;
bring light to those in darkness and despair, and to all the comfort of your Holy Spirit.

This we pray through Jesus Christ our Lord. Amen
