*Hospital Director:
Dr Samir Bekheet*

“I come to this hospital as the prescriptions are more accurate than government hospitals. The medicine they prescribe fixes the problem. Here the doctors care for the patients. The staff in the government hospital didn’t talk to me in a polite way.” Rasha

One Salafi Muslim patient said to Thanaa, a receptionists at the hospital:
“Because of your smiling welcome, we feel very comfortable here. Half of our illness disappears when we step inside this place.”
