JMECA is a UK Charity with a small office in Farnham

Supporting the Episcopal/Anglican Church in the Middle East

Its key purposes are to

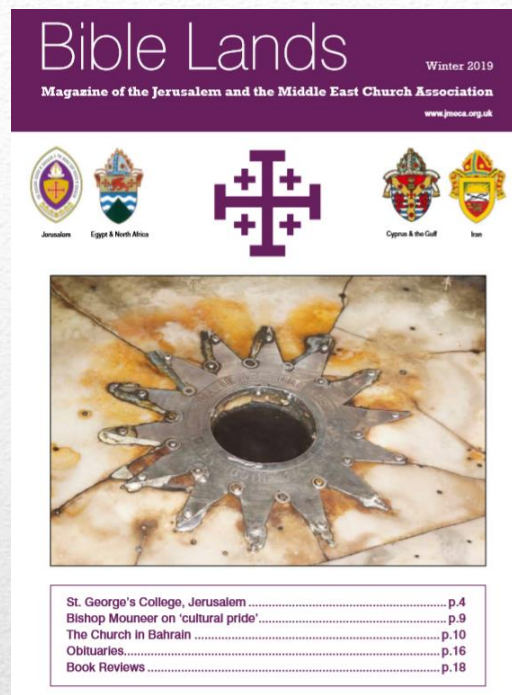

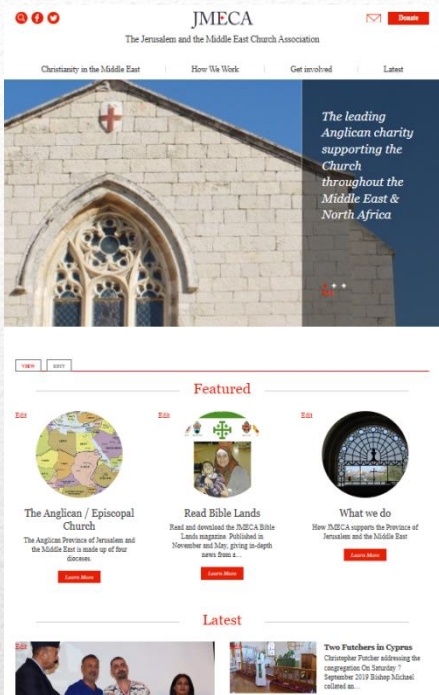

- 1. Provide financial support**
- 2. Raising awareness of the church and its context**
- 3. Encourage prayer**

Providing Financial Support to the work of the church in the Province

Collection & Distribution of finances

One key fundraising appeal is the long standing Good Friday Offering, taken in many countries across the world, from the US to Australia, and donated to the Province. Fund income, donations and reclaimed Gift Aid are distributed to the four diocese according to the restrictions of the funds/donations and at the discretion of the bishops to ensure they meet the most pressing needs in the region.

Keeping people informed of the work of the church and the situation in the region.

Promoting the work of the Province within the UK and beyond

Many Christians are unaware of that there are Christians in the Middle East and whilst they may in some countries be few in number their presence is important.

We regularly hear from Christians in the Province how encouraged they are to know they are not forgotten.

JMECA communicates information and news from the region via its **website**, its free twice-yearly **Bible Lands magazine** and through occasional **e-newsletters and appeals**.
