

JMECA supports the region by...

1. Providing financial support:

Through the generosity of donors and the income earned on invested funds, JMECA assists the Province with funding of approximately £250,000 each year to support the local clergy and their work in the communities they serve.

2. Raising awareness and informing:

To inform people about the life of the church in the Middle East, JMECA publishes a twice-yearly magazine called Bible Lands, which is sent, free of charge, to parishes and individuals who wish to receive it.

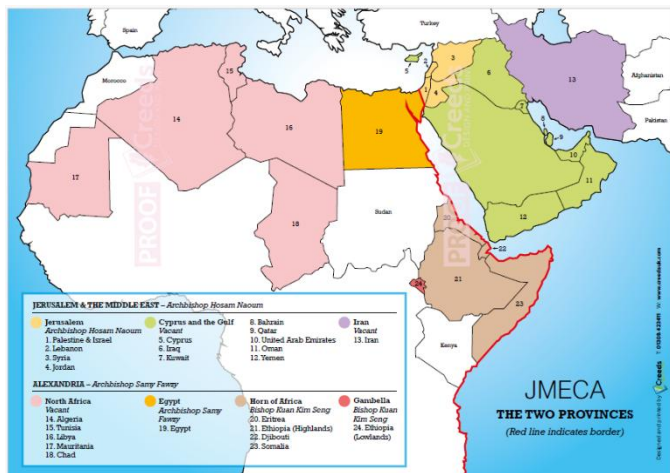

Sign up to receive Bible Lands at www.jmecca.org.uk

3. Encouraging prayer:

Your prayers are of vital importance to the work of the dioceses and the Christian communities they support. Through prayer, you are connected with people from all around the world, who are encouraged to know they are not forgotten.
